NOTES:

1. Mobile phone numbers and in particular e-mail addresses assist in the dissemination of Club information, use of the online court booking application and in contacting winners of Wimbledon tickets who are required to respond in a short timeframe. (This email address should be the same as you use to register with the LTA (British Tennis). By agreeing to the conditions, you will by default receive communication from the club via email, if you wish to opt out of these you may do so by modifying your account details on the Mycourts database. A copy of our Data Protection Policy is available on our web site and on the notice board in the 'shed'.
2. Adult children (aged 18 and over on 1st January) need to be added to this form and pay the adult fee, if they wish to be members.
3. Please note that guest fees remain £1/session, and members are asked to add this amount to their renewal subscription for the following year for each occasion that they have invited a guest to play.
4. No reduction for part of a year, except for applications made after Oct 1st which will cover through until 31st December of the following year.
5. For new members - Details of court booking procedure, access key, and other club information will be sent to you once your application has been processed.
6. Forms may take 2 weeks to process. If you do not get a confirmation within 2 weeks, please contact the Membership Secretary. (See top of form).
7. Details of our Safeguarding, Whistleblowing, Transgender, Photography & Recording and Diversity & Inclusion policies are available on our web site and on display in the 'shed'. Members should make themselves aware and conform with these policies and if they have any questions arising from them, to contact our Safeguarding Officer, Fiona Tryon, her details being available in the 'shed' and on the club website.
8. Parents/Guardians are reminded that they must complete a 'Consent Form' for any coaching sessions (either paid or provided FOC by the club) that their children undertake. These are available in the 'shed' and should be passed to the Coach and filed in the folder provided. For clarity, a single form can cover all occasions within the current calendar year. For group sessions at least 1 parent must be present for the duration of the session.
